

Michael L. Weaver, MD FACEP, CDM, is a board-certified emergency medicine physician. He served as Medical Director for St. Luke's Hospital Level I Trauma Emergency Services for 17 years, Equity, Diversity and Inclusion 16 years and received a certificate in Diversity Management from Georgetown.

For the past 20 years, he has led a mentoring program for medical students called the 'Critical Mass Gathering' event; and has launched a nonprofit called 'Mission VISION Project KC' that connects students to mentoring and networking opportunities to help them successfully navigate healthcare careers. Their mantra is "*If you can see it, you can be it!*"
